Dear Taxpayer:

--NOTICE OF DEFICIENCY--

We have determined that you owe additional tax or other amounts, or both as shown for the tax year(s) identified above. This letter is your NOTICE OF DEFICIENCY, as required by law. The enclosed statement shows how we figured the deficiency.

If you want to contest this determination in court before making any payment, you have 90 days from the date of this letter (150 days if addressed to you outside of the United States) to file a petition with the United States Tax Court for a redetermination of the deficiency. For a petition form, write to:

United States Tax Court  
400 Second Street, NW  
Washington, DC 20217

Send the completed petition form, a copy of this letter, and all relevant statements or schedules that accompanied this letter to the Tax Court at the same address. The petition must be timely filed with the court within 90 days from the above mailing date (150 days if addressed to you outside of the United States). However, if the petition is filed after the 90 day (or 150 day) period, it is considered timely filed if the postmark date falls within the prescribed period and the envelope containing the petition is properly addressed with the correct postage.

The time for filing a petition with the Court (90 or 150 days as the case may be) is set by law and cannot be extended or suspended. Thus, contacting the

Service for more information or receiving other correspondence from the Service will not change the period for filing a petition with the Tax Court. The court cannot consider your case if the petition is filed late.

If this letter is addressed to both a husband and wife, and both want to petition the Tax Court, both must sign and file the petition or each must file a separate, signed petition. If more than one year is shown above, you only need to file one petition form showing the years you are contesting.

The Tax Court has a simplified procedure for small tax cases, when the dispute is for \$10,000 or less for any one tax year. You can get information about this procedure, as well as a petition form you can use, by writing to:

Clerk of the United States Tax Court  
400 Second Street, NW  
Washington, DC 20217

Do this promptly if you intend to file a petition with the Tax Court.

You may represent yourself before the Tax Court, or you may be represented by anyone admitted to practice before the court.

If you decide not to file a petition with the Tax Court, please sign and return the enclosed waiver form. This will permit us to assess the deficiency quickly and can help limit the accumulation of interest. The enclosed envelope is for your convenience.

If you decide not to sign and return the waiver and you do not file a petition with the Tax Court within the time limit, the law requires us to assess and bill you for the deficiency after 90 days from the above mailing date of this letter (150 days if this letter is addressed to you outside the United States).

If you have any questions about this letter, please write to the person whose name and address are shown on this letter. If you write, please attach this letter to help us identify your account. Keep the copy for your records. Also, please include your telephone number and the most convenient time to call, so we can contact you if we need additional information.

If you prefer, you may call the IRS contact person at the telephone number shown above. If this number is outside your local calling area, there will be a

long distance charge to you. You may call the IRS telephone number listed in your directory. An IRS employee there may be able to help you, but the contact person at the address shown on this letter is most familiar with your case.

Thank you for your cooperation.

Sincerely,

Commissioner  
By

## Instructions for Form 4089

### Note:

If you consent to the assessment of the amounts shown in this waiver, please sign and return it in order to limit the accumulation of interest and expedite our bill to you. Your consent will not prevent you from filing a claim for refund (after you have paid the tax) if you later believe you are entitled to a refund. It will not prevent us from later determining, if necessary, that you owe additional tax; nor will it extend the time provided by law for either action.

If you later file a claim and the Internal Revenue Service disallows it, you may file suit for refund in a district court or in the United States Claims Court, but you may not file a petition with the United States Tax Court.

### Who Must Sign

If this waiver is for any year(s) for which you filed a joint return, both you and your spouse must sign the original and duplicate of this form. Sign your name exactly as it appears on the return. If you are acting under power of attorney for your spouse, you may sign as agent for him or her.

For an agent or attorney acting under a power of attorney, a power of attorney must be sent with this form if not previously filed.

For a person acting in a fiduciary capacity (executor, administrator, trustee) file Form 56, Notice Concerning Fiduciary Relationship, with this form if not previously filed.

For a corporation, enter the name of the corporation followed by the signature and title of the officer(s) authorized to sign.

### Interest on Deficiencies

Interest on deficiencies will accrue from the due date of the return until paid.

### Failure to File Penalty IRC section 6651(a)(1) and 6601(e)(2)

Since your income tax return(s) for the taxable year(s) ended December 31, 1990, December 31, 1991 and December 31, 1992 were not filed within the time prescribed by law, and you have not shown that such failure to timely file your return(s) was due to reasonable cause, a penalty of five (5) percent is added to the tax for each month or part of a month (but not to exceed a total of twenty-five (25) percent) for which your return was late. If your return was filed after December 31, 1982 and was more than 60 days late, the minimum penalty is the lesser of \$100 or the tax due. In addition, interest is figured on this penalty from the later of the due date of the return (including any extensions) or July 18, 1984.

### Estimated Tax Penalty IRC section 6654

Since you underpaid your estimated tax for the taxable year(s) ended December 31, 1990, December 31, 1991 and December 31, 1992 the addition to the tax provided by section 6654 of the Internal Revenue Code is asserted.

Internal Revenue Service has agreements with State tax agencies under which information about Federal tax, including increases or decreases, is exchanged with the States. If this change affects the amount of your State income tax, you should file the State form.

You may be subject to backup withholding if you underreport your interest, dividend, or patronage dividend income and do not pay the required tax. The IRS may order backup withholding at 31 percent after four notices have been issued to you over a 120-day period if the tax has been assessed and remains unpaid.
